Challenge runs: January 27th-March 9th 2025

Discover somewhere you've never been!

Been dreaming of peering over wild sea cliffs? What about exploring cobbled alleyways, and stopping to taste fine cuisine? If so, this is your adventure. Combining breathtaking natural scenery with historic cities, your route begins in the Northern United States, winds through Canada, and dips back to Seattle for the finish line. The more active you are, the more of North America you'll get to see!

Registration opens January 13, 2025.
