

# Look around

Join our next team challenge  
**July 22 to September 15, 2019**

Behind every building, there's a story. A fascinating tale of why, when and how every skyscraper, monument or home came about. Together with your Aetna Get Active<sup>SM</sup> program teammates, you'll unlock these stories as you discover some amazing architecture. Maybe you'll stroll through New York City's beautiful brownstones. Or wander through Rome's ancient amphitheater. What do you say — are you in?

## Prepare to be captivated
